

## Crime Prevention News

**January 2020**

### **Message from Vice President James F. McShane**

I would like to wish each of you a healthy and prosperous New Year and welcome you back to campus for the Spring Semester. Over the past year, many of you have been instrumental in helping to prevent crime on campus and in identifying suspects when crimes have been committed. It is this willingness to be a part of the solution that has been so critical to our shared goal of keeping our community safe.

As we begin 2020, I would like to ask all of you to continue your diligence and to make a concerted effort to eliminate opportunities for criminal activity by keeping a close watch on your property. During the past year, larcenies, particularly thefts of unattended property, accounted for an exceedingly high percentage of all reported crime on our campuses.

You can help to reduce these numbers! Don't leave your possessions unattended in libraries or other public spaces. This is an invitation to theft. Also, please let us know whenever you observe suspicious activity and be aware of your surroundings, especially when talking or texting on a cell phone. For more advice on staying safe, I encourage you to visit the Crime Prevention Tips link on the NYPD website: [www.nyc.gov/nypd](http://www.nyc.gov/nypd) You can also visit our website at [publicsafety.columbia.edu](http://publicsafety.columbia.edu) or call our Crime Prevention office at **212-854-8513** for additional information on crime prevention programs geared specifically to the Columbia community.
